AN INNOVATION IN INTERIORS

ABOUT US

Founded in the year 1948, the organisation “KKSA” – K.K.S ABDUL SAMAD SAHIB is a family of renowned leather tanners supplying leather to shoe factories and product manufacturers globally.

'Vechetta' from the house of KKSA is an ultra luxury alternative in interior designing; from bedrooms to board rooms, from designer villas to luxury hotels, from yacht interiors to children's play-room and other workplaces.

Creating a mosaic with Vechetta leather panels is a work of art and challenges the needs of the most ambitious designers.

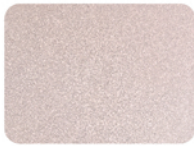

A passion for a designer leather bag, shoe or a sofaand now Leather walls and ceilings are the new reality. Indulge your fantasies, creating master pieces from leather.

Live the high life, Live Leather Class.

WHAT ARE LEATHER WALL AND CEILING PANELS ?

Leather panels are engineered using specialised techniques to withstand the wear and tear of residential and commercial usage, in addition to adding to the grandeur of the place.

WHY LEATHER PANELS ?

Exceptional Durability - Lasts up to five times longer than other alternatives thereby reducing replacement costs.

Sounds Good - Leather panels help absorb sound, making them an excellent choice for board rooms, Auditoriums, Theatres, etc, providing excellent acoustics.

Leather breathes - Leather is a fabric that breathes, thereby maintaining optimum room temperature.

The Leather advantage - Vechetta leather panels exudes class, luxury and opulence. It adds old world charm to any interior and lasts for years, remaining a perennial favourite among the elite.

Panel Sizes

18 x 12 inches, 6 x 12 inches, 6 x 6 inches.

Disclaimer

Colour of the product may slightly vary due to differences in lighting and different devices you might be using.
